MEMORANDUM FOR ALL MPFs/DPMs

FROM: HQ ARPC/DPBB
6760 E Irvington Place #2020
Denver CO 80280-2020

SUBJECT: Air Force Reserve Selected Reserve Lieutenant Colonel Selective Continuation Board, 17-22 October 2005

(CORRECTED COPY – SUPERSEDES ARPCM 05-17)

The Chief of the Air Force Reserve (USAFR) has requested approval from the Secretary of the Air Force to convene selective continuation boards at the conclusion of the FY06 USAFR Line and Nonline Colonel Promotion Selection Board.

The selective continuation board will consider USAFR officers, serving in the grade of lieutenant colonel, who are on the Reserve Active Status List (RASL) as of the board convening date, and are rated officers or hold an Air Force Specialty Code manned at or below 95%, and assigned to the Selected Reserve or Limited Extended Active Duty (LEAD) recall, who will complete 28 years of commissioned service between 1 January 2006 and 31 December 2006. These officers may be selected for continuation on the reserve active status list to 30 years total federal commissioned service. No officer will be continued beyond the last day of the month in which that officer becomes 60 years of age. Continued lieutenant colonels will be eligible for promotion consideration for as long as they remain on the RASL.

Change to Section 14701A of Title 10 U.S.C. terminates the requirement that a reserve officer apply for continuation on the RASL. This will afford all eligible officers consideration by the continuation boards without requiring advanced application for consideration.

The attachment identifies lieutenant colonels who are tentatively eligible for selective continuation based on Mandatory Separation Date (MSD) criteria.

The selective continuation board will consider officers' qualifications and potential for continuation based on their selection folder. Officers selected for continuation will be notified and given the opportunity to accept or decline.

Using the attached tentative eligibility listing, request MPFs/DPMs contact commanders of eligible officers and advise them that they must submit a package IAW AFI 36-2504, paragraph 10.3.2 if they feel any of their officers are not qualified for continuation. Packages must be received prior to the board convening date.

Additionally, MPFs/DPMs must contact eligible officers and advise them of their option to write a letter to the board IAW AFI 36-2504, paragraph 4.7. Advise officers writing a letter to the board to keep the following in mind: Letter must include signature with SSN; not attach anything that may become or is already a part of their record, for example a draft OPR that is still being processed, and not have anyone write a letter on their behalf. Letters should be addressed and mailed to the following address and must be received NLT 0800 on board convening date (17 October 2005):

Board President, Lieutenant Colonel Selective Continuation Board
